COMPANY PROFILE

UAE No.1 LED Screen Supplier

+971 4 268 1279
+971 50 451 9226

PixelPLUS is the ultimate destination for top-tier, custom-made, and long-lasting LED displays. Alongside our permanent installation and rental/staging products, we proudly adopt a solutions-based approach to cater to customers worldwide. Our expertise lies in designing exceptional LED display systems tailored to your industry and specific requirements. By collaborating directly with designers, architects, and engineers, we ensure meticulously crafted designs for the most cutting-edge LED projects. Our process commences with understanding your vision, and from there, PixelPLUS leverages industry-leading LED display technology and solutions to turn your space into a captivating digital realm.

 **PixelPLUS**

What we do?

Our product line is divided into 3 categories based on the application desired – indoor, outdoor, and rental staging products.

1

Indoor LED products

Our indoor LED product offerings encompass a range of options tailored to meet specific needs. These include the ECO Series, Flexible Modules, Interactive LED displays, LED Banners, Transparent LED screens, and Floor LED solutions.

2

Outdoor LED products

Our outdoor LED product line features a selection of robust options designed to excel in outdoor environments. This includes outdoor Cabinets, Advertising LED displays, Transparent LED screens, and Curtain LED solutions.

3

Rental LED products

Our rental LED product lineup comprises versatile options specifically designed for temporary installations and event purposes. This includes rental-specific versions of outdoor Cabinets, Advertising LED displays, Transparent LED screens, and Curtain LED solutions.

We adopt a solutions-based approach to cater to the unique needs of our customers. As a result, we provide the following comprehensive solutions:

- **Shop Signage LED Solutions** – Our aim is to enable your customers to engage visually with captivating displays that highlight your stores and shops.
- **Street Advertising LED Solutions** – Our LED display solutions serve as powerful and eye-catching advertisement tools, particularly effective for intersections along busy roads and freeway exits.
- **Meeting Room LED Solutions** – Our LED displays can serve as dynamic and interactive backdrops in conference halls, meeting rooms, and boardrooms. They add value to speeches and presentations by incorporating graphical data, enhancing engagement and visual impact.
- **Concerts & Events** – Our LED displays are perfect for stage backgrounds, delivering a mesmerizing blend of vivid pictures and synchronized music to elevate the atmosphere of concerts and events.
- **School** – Our LED displays serve as a modern and interactive platform, fostering seamless communication between teachers, students, and the wider community.

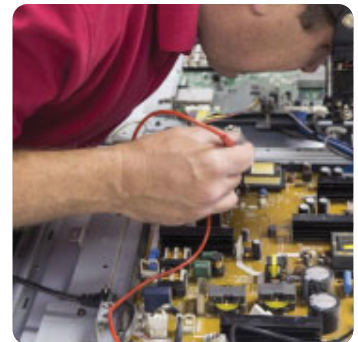

CREATIVE SOLUTIONS

Our commitment lies in upholding quality standards, and superior quality equates to long lasting performance. With PixelPLUS, you can expect tailor made, top notch products that redefine your surroundings. These LED screens provide the freedom to craft stunning visuals that captivate your audience and enable you to present information with utmost clarity.

SUPERIOR SERVICE

Whether it's sales of LED display systems, LED screen rentals, or post-purchase support and service, PixelPLUS has got you covered. Our unwavering commitment is to offer customer focused support of the highest caliber throughout your entire journey. As a U.A.E-based company, we are passionately dedicated to achieving excellence and meeting your expectations as a trusted U.A.E manufacturer.

HIGH QUALITY PRODUCTS

Our LED display systems offer a seamless viewing experience, delivering crystal-clear and highly detailed imagery. We offer a wide variety of creative solutions, with configurations available for indoor, outdoor, and curvable displays, spanning from 1mm to 100mm. What sets us apart is our high-resolution products, the capability to create curved displays, and our exceptional customer support. Whether your goal is to enhance curb appeal, capture the attention of impulse buyers, or simply attract more attention, LED technology is the ideal solution.

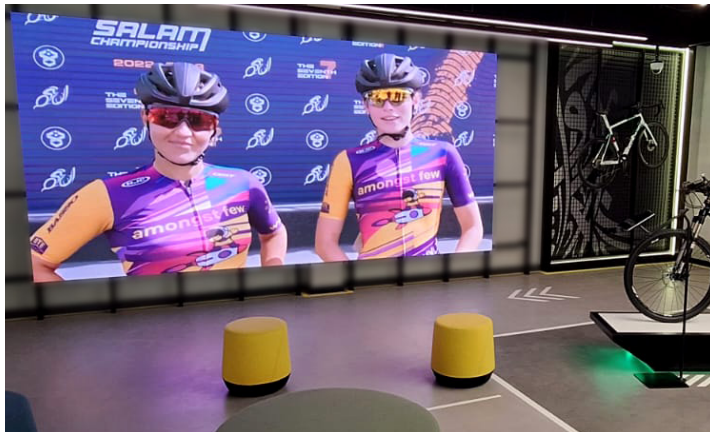

Why make us your partner?

- We are an award-winning LED systems and solutions company that delivers high quality products with the best technology worldwide.
- We do not just focus on innovating with high-end technologies in LED display systems but creative solutions-based approaches.
- We provide a one-stop solution for all applications and provide all your LED video walls, screen, and display solutions with one central source.
- We provide industry-leading warranty plans, after-sales services, and assistance that is crucial to our success.
- We engage in creative leadership where we help individuals to imagine and innovate. We provide personalized solutions to suit your needs, regardless of the size or scope of work.
